*ARTIST:* Jodi Raboin, Lindstrom

Jodi grew up in Cumberland, Wisconsin, and has lived in Lindstrom for the last 20 years. She has been married for 27 years, and has three children. She has no formal art training; her painting talent comes from practice. Jodi has been employed at Parmly for 15 years, and was the featured artist at the Studio of Arts in early 2015.

Jodi is best known for painting scenes of nature and wildlife, but she loves trying new things to expand her art skills. In her free time, Jodi also enjoys cake decorating, baking, landscaping, reading and many types of arts and crafts. As a devout Christian, most of Jodi’s work comes from her heart. She hopes that her artwork will bring glory to God, and that the gift of the art she creates will make her heavenly father proud, as well as her family.
