

Quilt # 29

QUILT NAME: “Cross and Darts”

LOCATION: Lindstrom Antique Mall – housed in a 100 year old building that Bob and Liz Skinner purchased in 1994, updated and turned into an antique mall. You’ll find everything from furniture, dishes and other household items, to vintage clothing, sporting goods, travel memorabilia and Scandinavian treasures. There are many dealers that have been at this very popular antique mall since the 1990’s, and new dealers who have become part of the operation. The owners, manager and dealers strive to keep the 9,000 square foot, two level mall fresh and well-stocked. They invite you to stop by and enjoy a cup of locally roasted coffee and a cookie, while you browse.
