

Quilt # 38

QUILT NAME: “Directions”

LOCATION: **Lindstrom Municipal Bar** – The City of Lindstrom owns Municipal On-sale and Off-sale Liquor stores. The Municipal Bar recently underwent a facelift – preserving a bit of local history. The barn quilt has added a bit of color, and complements the Swedish “Coffee Pot Water Tower” in the background. *Local residents often question how profits from sales at these facilities are used. The Liquor stores transfer nearly \$200,000 into the General Fund for Operating Expenses annually. That amount would otherwise need to come from increased Property Taxes.*
