ARTIST: Katsy Hanson, Lindstrom

Minnesota Pride, or Ski-U-Mah, is a geometric design with the maroon and gold of our Golden Gophers!

Katsy Hanson is a retired educator from the Chisago Lakes Area Schools. One of several items on her bucket list of retirement plans was to challenge herself with endeavors that required her to step “outside the box”. With great trepidation, she enrolled in a watercolor painting class with instructor Kay Oien. Learning techniques and producing something she could be proud of has been very satisfying for her.
