

Quilt # 4

QUILT NAME: “Scandinavian Star”

LOCATION: **Gregory Contracting** – a full service company serving the local community with quality craftsmanship and timely, friendly service. They provide a wide range of remodeling and new construction services, and have the experience and expertise to exceed expectations on any project. Gregory Contracting also repairs exterior storm damage, replaces windows, and provides a variety of winter services including snow plowing, shoveling and ice dam removal.

Owner DJ Gregory started the business in 2000, and hires tradesmen exclusively from the local area. The company is licensed in Minnesota and Wisconsin, and takes great pride in meeting the needs of their clients. They maintain a tobacco-free work environment, low noise policies, and ensure that job sites are cleaned daily and construction traffic is kept to a minimum.

Gregory Contracting is committed to the Chisago Lakes community, because they are a part of it. They specialize in timely, precise and affordable service, and work as a professional service team that provides quality craftsmanship.

ARTIST: Kathy Flynn, Lindstrom

The families of Kathy’s maternal grandparents emigrated from Sweden in the mid-1800’s, becoming some of the early immigrants to the area. Two family homestead farms remain, with beautiful barns that retain so much history! She lives on one of the family farms, where her grandmother passed on the art of quilting. All of this Swedish history, and her love for quilting, inspired her to create her first “barn quilt”.
