

# Quilt # 64

*QUILT NAME:* “Pinwheel”

*LOCATION:* **Shafer Contracting** – Since 1968, Shafer Contracting Co. has furnished highway-heavy general contracting services throughout Minnesota and Western Wisconsin. They specialize in grading and concrete paving work with a heavy emphasis on public projects, particularly Department of Transportation and airport work. While they may be most often recognized by their large fleet of trucks, they take particular pride in the numerous quality achievement awards they have received throughout the years. Quality workmanship has been a key to their success.

30405 Regal Ave.  
Shafer, MN 55074  
651 257-5019

*ARTIST:* Noel McKinnon, Mora

Noel’s love for big old barns, antiques and design all came together, and she started “Fancy Farms Barn Quilts and Repurposed Farm Goods” in 2014. She makes barn quilts in various sizes, to suit the space. The quilt square at Shafer Contracting is a small, 3 ft. X 3 ft. design, in dominant colors (red, yellow and black) often used in the construction industry.

Noel is a busy stay at home with three kids, and her family lives and farms in Mora, Minnesota. Noel and her husband enjoy making and repurposing items in their spare time, and have participated in a few local craft fairs. Her connection to the Swedish Barn Quilt Trail in the Chisago Lakes Area is Dave Oaks. She met him at the Almelund Threshing Show last year, where he had his Barn Quilts on display. For more information about Noel’s business, please visit [www.fancyfarmsbarnquilts.wix.com/home](http://www.fancyfarmsbarnquilts.wix.com/home).
